Dear Santa,

We are from Waveland and our home was at:

[redacted] Old Spanish Trail, Waveland, MS 39576

We are now living at:

Address: [redacted] Old Spanish Trail in Fema Trailer

City Waveland State MS Zipcode 39576

Phone No. [redacted]

Our family consists of:

Sharmaine [redacted] - 22 - USM college student

Courtney [redacted] - 20 - PRC student

Kimberly [redacted] - mother - 43 - state worker

Our Katrina experience was:

We evacuated to Stennis Space Center, where the storm did not show much harm. We were told how bad the Wau/Bay area was, but it was not until we returned 2 days later to find our home still standing but everything in it ruin from water. Ceiling was caved in, in the kitchen & everything had been afloat. Left after a week of going to the house because everything was so overwhelming, went to St. Louis Mo. (on back)

Write something special that you would like Santa to bring you or your family:

My daughters both are College students, I'm a single parent (their father deceased), both of them lost their computers they use for school, If I had a wish I would wish for a laptop computer for them and that way they can share it when they come home to do their school papers.

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:

Mayor's Office, City of Waveland, P. O. Box 539, Waveland, MS 39576

there my daughters + I stayed for a little over a week, then my oldest daughter was able to return back to school + youngest stayed w/ relatives in Hattiesburg until she was able to return to PRC I came back to the overwhelming situation, waiting for the Insurance Co, Fema and whom ~~ever~~ else. Still waiting for some but the Fema trailer has arrived, + I'm making the best of it. Children try to come home when they can but they just can't get use to the trailer. We are glad to be alive, taking one day @ a time.
